**Prepare-to-Serve Class
(Grades 11 & 12)**

74 weeks of preparation are available prior to taking on any service in the church. The program is open to grade 11 and 12 with permission from father of confession. Classes are on Sundays after the first mass. Volunteer work hours, regular attendance and passing tests are required for graduation.

Social hour

After classes, the youth have a chance to pray praises, play at the Gym or attend Art classes or join the Drama group.

St. Mary Food Bank

Classes follow a schedule to help out at the church-run food bank in Mississauga on Thursday evenings. It is a great opportunity for the youth to serve and give back to the community. The hours spent are counted towards the community volunteer hours at their schools. Encourage your youth to participate.

New High School Database

The church invested in a new database to record important information on the service. Servants are urged to record attendance information in the database on a regular basis. Parents have the responsibility of following up with the servants to see if their youth are regular in the service. Soon, youth who share a valid e-mail address with us, could register and pay for trips online through the database.
