

"Whatever we give to God, He will give it back to us "a good measure, pressed down shaken together and running over (Luke 6:38).

Dear beloved

We are excited to see this amazing addition to our church (St. Athanasius Centre) being constructed. This new space will not only look great, but more importantly, it will add the space needed for all church services and it'll be a place for members of our community to gather and enjoy each other's company. We can't wait for our beloved congregation to be able to use it.

As the blessed year 2024 winds down to a close, we want to give you brief progress on the construction progress:

By 2024-year end, 13% of the project is completed. The foundation (90%) is complete, the elevators shafts are 60 % complete and will be fully completed by the end of January 2025. We expect the structural steel to start in January and be completed in the spring of 2025. The building should be fully erected by the end of 2025. The internal and external finishes of the building will be completed in 2026.

If you'd like to donate, please click or scan **ChurchPlan**[®] QR code below.

You can also drop off your donation at our church's donation boxes or E-transfer to: cheerfulgiver@cccnet.ca.

We hope you'll join us in building this Church addition and community space.

Thank you for supporting the construction of St. Athanasius Centre that will be such a great asset to our church community.
